### EXPERIENCE

#### ROOFER

*NBD International | June 2017- August 2019*

My responsibilities include:

- Set up scaffolding to provide safe access to roofs
- Waterproofed and damp-proofed walls, floors, roofs, foundations, and basements by painting or spraying surfaces with waterproof coatings, or by attaching waterproofing membranes to surfaces
- Estimated roofing materials and labor required to complete jobs, and provide price quotes
- Removed snow, water, or debris from roofs prior to applying roofing materials

#### ROOFER

*Natural Slate Roofing Inc | March 2014 - June 2017*

My responsibilities include:

- Aligned roofing materials with edges of roofs
- Applied alternate layers of hot asphalt or tar and roofing paper to roofs, according to specification
- Covered roofs and exterior walls of structures with slate, asphalt, aluminum, wood, gravel, gypsum, and/or related materials, using brushes, knives, punches, hammers and other tools
- Inspected problem roofs to determine the best procedures for repairing them
