Dear Melany,

I'm a professional actor, a dancer and a public speaker with excellent communication skills and a strong motivation to succeed. I am dedicated to helping people and giving my all on and off the stage and in the office.

When I was studying at school I loved to sing and play a little bit of piano. My friends would say I'm a lot of fun but when it came to getting work done, I'm focused on the task at hand.

I have been in multiple short films when I was studying at the University. Some for fun and others for university or film festivals. My coursework was multimedia composition/publications and video production/editing.

Currently, I'm a multi-talented actor with experience in a variety of film and television shows. I have excellent creative ability and able to take precise direction. I have experience serving as an assistant in the advertising industry for 10 years. My background also includes appearances in over 25 nationally televised commercials. A serving member of SAG/AFTRA and IFP - NYC.

My television career includes the next roles:

- Homeland Guest star Showtime
- The Good Wife Guest star CBS
- NCIS Guest star CBS
- NCIS: LA Guest star CBS
- Castle Guest star ABC
- General Hospital Recurring role ABC
- Guiding Light Recurring role CBS

As we discussed earlier, my extensive professional experience can benefit virtually any employer. However, New Avalon Film Production is of special interest to me because I would like to get a role in your new musical. This would allow me to combine my acting talent with the musical capacity.

Thank you for your time.

**Sincerely,
Bruce Kopp**
