Dear Mr. Nicolas Moor,

Since I could walk, I've been dancing. And since I could drink, I've been charmed by bar flaring. "In vino veritas" is my life motto. At the time when I realized myself being a 25-year old lad I I have visited more than 10 countries and tried more than 1000 cocktails.

Work experience in more than 10 bars in different countries of USA and Europe made me a professional who knows how to make any cocktail and find an approach to every client.

When I saw the job opening, I knew it was the perfect opportunity to offer you my skills and experience as a bartender. I've included my resume so you can learn more about my experience and skills. Thank you for your time and consideration!

Hope to hear from you soon.

Best Regards,

Juliana Davis
