

MARTIN POLMAN

ENGINEER

SUMMARY

Extremely motivated Engineer with passion for constantly developing skills and growing professionally. I am confident in my ability to come up with interesting ideas for unforgettable engineering projects.

EXPERIENCE

INDUSTRIAL ENGINEER

Cypress Communications | Feb 2013 - Dec 2019

- Standardized work procedures for equipment
- Prepared scopes of work, budgets, framing plans, details, and specifications for construction packages
- Developed, maintained and modified basic structural and interior payload system and component designs, using 3-D Computer Aided Design tools and other design methods, to provide product definition to other engineering groups, production operations, suppliers and external customers throughout the product lifecycle

ENGINEER

World Mark Inc. | Apr 2012 - Jan 2013

- Met with clients and other consultants to coordinate the structural design work for projects
- Structural analysis of projects using a variety of structural engineering software
- Assisted with supplier development, test and production activities and coordination with the supplier to optimize the design and achieve program goals

HARD SKILLS

- 3D (Computer Aided Design) CAD
- Drafting Standards and Geometric, Dimension, & Tolerancing (GD&T)
- Product Validation
- AutoCAD
- Pro-E CREO Computer Aided Design Software
- Project Management

SOFT SKILLS

- Teamwork
- Strategic Planning
- Judgment
- Detail Oriented
- Analytical Thinking
- Commercial awareness
- Leadership
- Willingness to Learn
- Clear Communication

EDUCATION

New York University
BA in Engineering
