

Emma Padman

ESL Teacher

Dear Mr. Jackson,

As a profoundly talented ESL Teacher, I read your posting for another ESL Teacher with deep interest. My experience adjusts well to the capabilities you are looking for at Boston Academy, specifically my job as an ESL Teacher at Bring Hill High School, and I am sure I would make an important expansion to your association.

With over 11 years' experience as an ESL Teacher, I am capable in learning style appraisals and Individualized Lesson Plans (IEP's). Additionally, while my hands on experience has managed me a balanced range of abilities, including top notch correspondence and explanatory aptitudes, my skills include:

- A Sense of Humor
- Time Management
- Leadership
- Communication

Notwithstanding my experience and individual characteristics, I have a strong instructive establishment and an enthusiasm for training.

If you don't mind survey my joined resume for extra insights about my mastery and vocation accomplishments. I will catch up to demand an arrangement to examine how my experience and foundation addresses your issues.

Thank you for your time and consideration.

Sincerely,
Emma Padman
