Dear Mrs. Groner,

I'm Professional Line Cook with 3+ years of experience as a Lead Cook. Recognized for my exceptional ability to cook and prep all kinds of foods. I use mixtures and ingredients, utilize Seafood and Poultry to create fantastic Soul Food, Cajun Food, Mexican Food and Italian Food. In addition to mastering outstanding meals, I have prepared a number of delicious pastries. Also, I am capable of supervising and motivating staff to perform to the best.

My professional accomplishments include:

- Elevated the restaurant from a three-star rating to a four-star rating in just one year.
- Developed an innovative way for maintaining the kitchen cleanliness standards.
- Maintained records checking in guests and collecting payment.
- Became the main figure to all guests.

Further details, about my experience and achievements, are set out in my resume, which is attached to this cover letter.

I would be happy to further discuss my abilities in person. I hope you'll contact me at your earliest convenience and allow me to discuss how I will make a difference in your organization.

**Regards,**  
Joseph Nader
