Dear Mr. Adams,

I'm writing to apply for the position of Makeup Artist, as advertised on your website careers page. In your job posting, you mention that you want to hire artistic personality with great communication and interpersonal skills. I have an outgoing personality and a flair for communication making my clients feel comfortable and at ease.

My strengths are:

- the creation of specific looks and makeups;
- selection of colors and textures to the type of appearance;
- advising clients on the subject of self-makeup;
- cosmetic selling

I am especially interested in working for your company because throughout my career, I've found that Lime Crime products are the best and most versatile makeup available. It would be an honor to work exclusively with your brand.

Thank you for your time and consideration, and I look forward to speaking with you soon.

*Best Regards,  
Enrique Lopez*
