Dear Mr. and Mrs. Collins,

I am sending my resume in response to your posting about a nanny position;

I'm reliable, energetic, and nurturing nanny with ten years of experience in childcare. Working with children from birth to thirteen years old. My work responsibilities include, but not limited to: light housekeeping, meal preparation, feeding, changing, bathing, organizing activities, homework help, and running errands.

I have started my career as a mother's helper at a young age before I become a part time and full time nanny. Child care gives me pleasure. I can make my job doing what I love. I can manage multiple children at once while engaging them in fun, educational, and safe activities. I was recently certified as a Newborn Care Specialist. CPR certified.

My experience and personal skills let me to be an appropriate candidate who will effectively help run your household.

Thank you for your consideration. I can't wait to meet your family and your children.

*Sincerely,
Sarah Evans*
