SUMMARY

Accomplished and energetic Bilingual Pastor and public education teacher with a strong interpersonal and communication skills, team player who is comfortable functioning within a multi-staff, multilingual, culturally ethnic church environment, strong leadership in large-scale ministry: active, faithful and obedient relationship with Jesus Christ, a passion and genuine love for people of all ages, with an attitude of versatility, vulnerability and sensitivity, a heart of compassion, a desire to evangelize, disciple people and edify the church. Once I began my undergraduate work I started working in the local church. I have been blessed to serve in different local church settings learning hands on while completing both of my degrees. I love working with people and working through a team to complete the goals set before us. I have unique experience in social work and serving as senior pastor of 300+ member church.
