

ROBERT HOLL

PERSONAL TRAINER

Dear Mr. Jackson,

My name is Robert Holl, and I saw your activity posting on LinkedIn. I'm a certified fitness coach with more than 14 years in the business working for rec centers and wellness studios. Despite the fact that I center around restorative exercise and individual work, I cherish training gathering classes as well! ResumesBot has an extraordinary notoriety similar to a spot that treats its representatives and customers well, and I'd love to be a piece of the group.

During my time as a mentor I've helped both my customers and managers arrive at their objectives and past. The key here is fulfilling customers – in the event that they're glad they'll hold returning, which thus satisfies the rec center. My customer standard for dependability was the most noteworthy at Fitness the previous three years since I kept them amped up for wellness. I helped every individual set testing yet feasible objectives, and drove them (with changing degrees of force) to accomplish these objectives.

I am mindful that ResumesBot is attempting to branch out into various components of wellness, and saw that there is right now no restorative exercise master utilized. Remedial exercise is a region that I flourish in and appreciate instructing, and I couldn't imagine anything better than to utilize my gathered learning to work with people or gathering classes at your rec center.

I would be glad to come in for an in-person meeting to examine/show how I can add to the development of ResumesBot. You can contact me at [PHONE NUMBER] or by email at [EMAIL] — I'm accessible on Monday or Tuesday throughout the day, and can be arrived at weekday evenings also. I'm glad to plan a period that works best for you if those occasions don't work.

Thank you for your time and consideration!

**Sincerely,
Robert Holl**
