

NICOLE CLEMENTS

SPECIAL EDUCATION TEACHER

SUMMARY

Versatile and dedicated child advocate with a solid focus on the individual needs of identified and Special Education students. Kindhearted and empathetic professional who is flexible and accommodating in the design and implementation of inspiring hands-on lessons, employing wide-ranging manipulatives and IEPs to enhance student achievement. Skilled in addressing student needs, ensuring children will thrive and develop in an adaptable educational atmosphere. I use firm behavioral management techniques and possessing excellent interpersonal and communication skills to develop an excellent rapport with all members of the school community.

I was responsible for teaching the curriculum, developing lesson plans, and implementing social skills for over 7 years. I also worked very closely with educating my parents about possible things we can do together to assist with achieving their goals.
