

Dear Sharlene,

Thank you so much for the generous offer for the Web Developer position and the interesting interview last week. It was really great to meet the team and see the office. I enjoyed learning much about this position, and I appreciate you taking the time to consider me.

While this position in EST seems to be a great opportunity, I've decided to pursue another role that offers me more career opportunities.

Still, getting to know you has been a real pleasure for me. Hope to catch up in the nearest future.

Again, thanks for your time and support.

Sincerely Yours,
Daniel.
